

Hi, everybody! Today I, Ekaterina Oleynik, want to show you the work for the Chameleon PEN and Prima Marketing joint project. Also I worked with a lovely stamp of the girl by the name of Mindy.

Materials Used: Chameleon Color Tones Deluxe Set; Aqua Marine, Spring Meadow (YG3), Bisque (NU1), Bark (BR5), cling stamps Mindy from Prima Marketing, Tag Pad watercolor paper, Prima flowers and leaves “Royal menagerie”, Tabs and Tags resist patterns “Royal menagerie”, A4 Paper Pad “Royal menagerie”, Alphabets stikers “Royal menagerie”.

Instructions:

1. Stamp Mindy's image on Tag Pad watercolor paper. To paint with Chameleon markers the image is monophonic, except the girl's body. For this feather of a marker to connect to the blender from 5 to 10 seconds.

2. To stamp images of a dress of the girl 3 times. We paint the lower dress a marker of Spring Meadow (YG3). For this feather of a marker to connect to the blender from 5 seconds. To stamp images of a dress of the girl 3 times. To paint the lower dress a marker of Spring Meadow (YG3). For this feather of a marker to connect to the blender from 3-5 seconds. To paint the top skirt with Aqua Marine marker. For this feather of a marker to connect to the blender from 3 seconds. To paint hair of the girl with a marker of Bark (BR5). For this feather of a marker to connect to the blender from 7 seconds. To cut out all images.

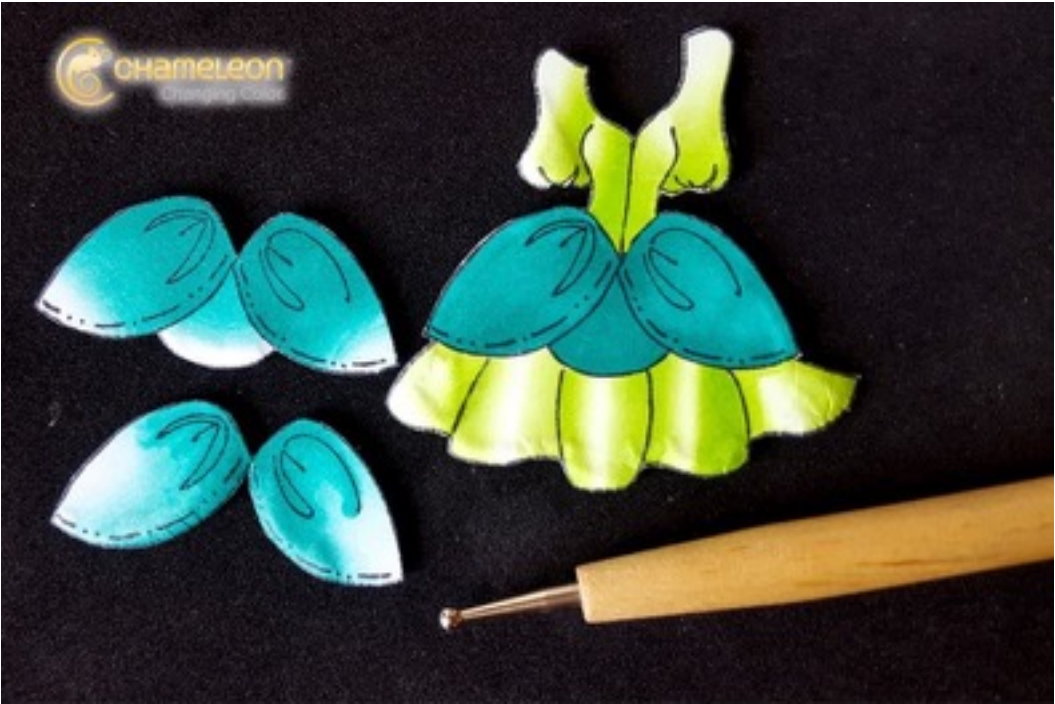

3. From paper “Royal menagerie” to cut out a tag of a little smaller size than a tag from water color paper. To stitch a tag from paper, receding from edge on 3-4 mm. Edge of the fray tag by means of scissors.

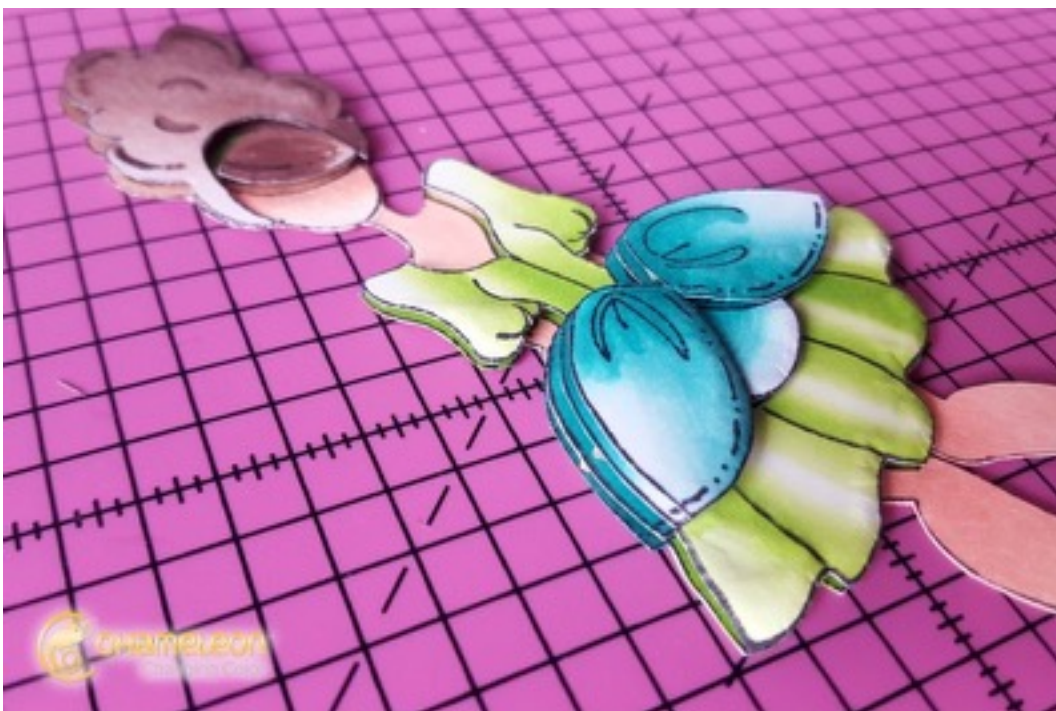

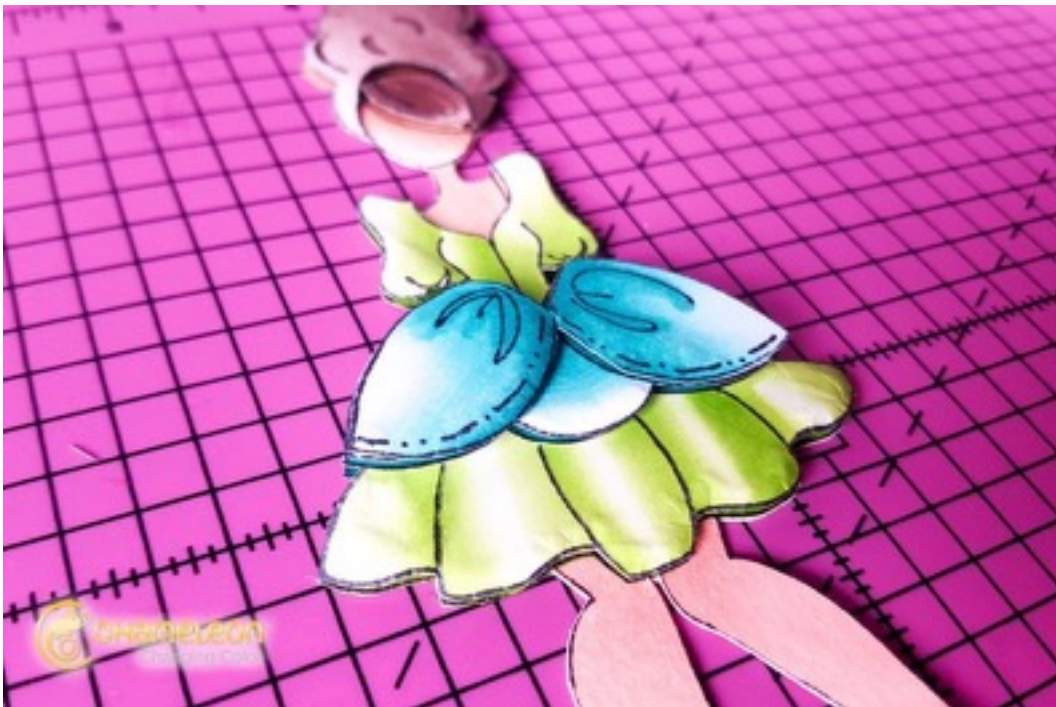

4. To round off a dress and skirts on edge the tool for creation of flowers on a soft rug.

5. To paste all elements in correct on sequence on glue volume small squares.

6. To paste the girl on a tag and to decorate with flowers, leaves and stickers from a collection “Royal menagerie”.
