12. Stamp girl's skirt with black ink on a watercolor paper four times. Start to color the skirt with the brush tip using Aqua Marine and Purple Grape Chameleon pens, infusing each color before coloring for 3 seconds.
13. Using fine point scissors trim the colored skirts.
14. Glue three skirts together in a form of a fan.
15. Color the tag with resist pattern with the brush tip using Purple Grape and Sky Blue Chameleon pens, infusing each color before coloring for 3 seconds.

16. Draw three feathers of different sizes on a watercolor paper. Trim them and using the feathers edges as guides, start to glue the quilling paper stripes vertically around each feather. Fill each feather with quilling paper stripes. Add some watercolor. Adhere the feathers at the bottom of the dreamcatcher base.

17. Adhere the colored skirts, colored tag, photo, leaves, flowers and alphabets stickers on the dreamcatcher base. Add some curled quilling paper stripes.
