2. Color directly onto the wood with Chameleon Pens. Infuse each color for 10 seconds while coloring the clouds. You will have to do this multiple times for each cloud die cut.

3. Take the loom and place on designer paper. Draw a line around the paper and cut to size to glue to the back of the loom using liquid glue. Set aside and let dry for 5 minutes.

4. Take some pretty ribbon and glue to the top of the loom. Set aside and let dry for another 5 minutes.

5. Take your colored Chameleon cloud die cuts and layer. Stagger the die cuts. The ACR wood tape has an adhesive backing. Every other piece peel the back and layer and the others use foam tape to give dimension. Trim the edges around the loom.

6. Stamp and color image. While coloring infuse each color for 5 seconds for each section of the image. Die cut the image using matching die.

7. Color ARC Barc wood tag infusing the color for 10 seconds. Stamp sentiment after you have colored the tag.

8. Finishing off with adhering the colored image and tag to loom
