

Materials Required:- Hero Arts CM101 Vintage Christmas Wishes stamp set, Chameleon Color Tone Pens; Cornflower Blue, Bark, Tangerine, Crimson Red, Deep Black and Grass Green. Memento Summer Sky, Hot Cocoa and London Fog inks, Bee paper, elastic gift cord.

Instructions:-

- Stamp background snow block using Summer Sky ink, the snowman using London Fog ink and the trees using Rich Cocoa ink.

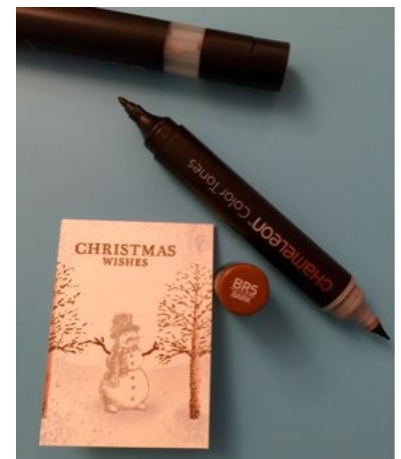

- Create a horizon using the Cornflower Blue Pen; Fuse the brush nib for 10 seconds and work up towards the horizon line, then fuse again for 5 seconds and add a shadow working from light to dark for the snowman and base of free trunks.

Snowman Tag

By Cathy A

- Add Color to the tree trunks by fusing the Bark pen for 5 seconds and coloring from the light area towards the stamped shadow area.

- Fuse the Deep Black pen and color the hat of the snowman again working from light to dark using the stamped image as a guide for shadows, then add Crimson Red and Grass Green for the holly and berries without fusing.

- Color the scarf using Tangerine, fuse for 3 seconds and then work from light to dark add stripes using the Crimson Red Pen again fusing for 3 seconds.

- Add shadow to the body of the snowman by fusing the Cornflower Blue pen for 10 seconds and coloring from the centre of the body towards the edge using an arc motion. Punch a hole in the tag and add elastic to finish.
