Bird House Plaque

By Cathy Andronicou

Instructions:

- 1) Stamp the bird onto the Walnut Hollow wood block using Memento Luxe ink and heat set with heat gun (being careful not to scorch the wood).

- 2) Color the floral branches using the Chameleon Color Tone pencils; the flowers using #10, the stems using #19 and branches using #4 as per the images below.

- 3) Color the bird using #'s 13,15, 16, 17 & 2 as per the images below.

At this stage you could leave the design or add a verse for an indoor art piece, or as in this project add a house number to make an outside house sign.

4) Stamp the numbers onto the plaque using Memento Luxe ink, I have used the Robust alphabet set 'O' and 'I' to create the numbers, heat set and then varnish with clear varnish to finish.
