Pineapple Gift Bag how to:

- 1) Heat up the Go Press and Foil machine and place foil stamp on the heat plate, put foil on top of stamp shiny side down and then place fabric on top, add a few shims and close the lid of the Go Press and Foil Machine, leave for 30 seconds and run 2-3 times through the Go Cut and Emboss Machine.

- 2) Remove fabric from the machine and peel back the foil to reveal the design.

- 3) Place the mixing chamber on the bullet nib of the Warm Sunset pen to fuse for 10 seconds and then colour the individual elements of the pineapple, re-infuse the pen when the color becomes dark again and repeat process until all the pineapple is coloured.

- 4) Place the mixing chamber on the bullet nib of the Green Apple pen to fuse for 10 seconds and then colour the individual leaves of the pineapple, re-infuse the pen when the color becomes dark again and repeat process until all the leaves are coloured.

- 5) Cut a second piece of fabric the same size and stitch together to form a drawstring pouch.

Smile Bird Card How To:

- 1) Place the Thorny Branches foil stamp onto the Go Press and Foil Machine, then put heat activated foil on top with the shiny side down (*tip:- Trim to make marginally larger than die to avoid any excess transferring onto the design*), place card and shims on top then close lid and leave for 10 seconds, once heated run through the Go Cut and Emboss machine a couple of times.

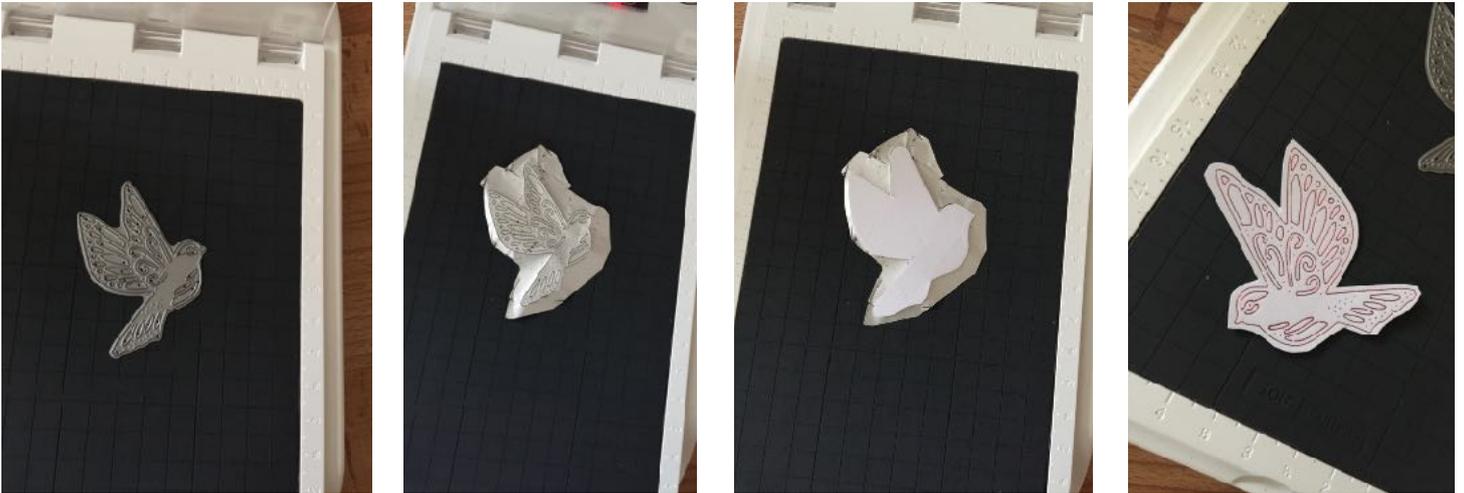

- 2) Remove card from plate and peel back the foil to reveal the design.

- 3) Place the mixing chamber on the brush nib of the Spring Meadow pen and fuse for 2 seconds, color the individual leaves, repeat this process varying the shade of the leaves by also using the Evergreen pen. Colour the stem with the Bark pen without fusing.

- 4) Take the Flight of Fancy Die and place cutting side up onto the Go Press and Foil Machine, put the red foil shiny side down on top of the die and then complete the sandwich with the card, add shims and close the lid, leave for 10 seconds and then run through the Go Cut and Emboss Machine. Remove card and peel of foil to reveal design.

- 5) Take the Cinnamon Color Top and place the chamber on to the brush nib of the Crimson Red pen and color the bird in sections. Then add extra detail by adding Mellow Yellow to the wings and tail. Cut around the design and adhere to card using foam pads.

- 6) Add some Cut and Bond to some card and then die cut the flourish from the Bookmark die set, Peel the backing off the Cut and Bond and use the waste foil from previous projects to add shine to the die cut, add to the tale of the bird.

- 7) Add die cut Smile sentiment and then mat and layer onto card to finish.

The Rose Card How To:-

- 1) Substitute the Rose Foil stamp for the thorny branches one and follow steps 1 & 2 of the previous project.
- 2) Place the mixing chamber on the Burgundy pen and fuse for 5 seconds, before coloring the individual rose petals, repeat until the whole rose is colored, then repeat the process for the leaves using the Green Apple pen. Cut out the bottom section of the rose.
- 3) Place the design onto card blank with patterned paper applied and then stamp sentiment to finish.
