Instructions:-

1. Take a photo album and prepare its surface with a wet baby wipe.

2. Cut three pieces of patterned paper measuring 12x16 cm for the front and the back cover and 3,7x16 cm for the spine.

4. Print out a map image, sponge it with Squeezed Lemonade and Cracked Pistachio distress inks, outline with detail pen (4mm nib) and cut it out leaving a small border.

5. Print out a mojito glass image, outline it with detail pen (4 mm nib) and color it with Chameleon pens. Using the bullet nib of the Grass Green pen color the middle and bottom parts of mint leaves, blend it with the bullet nib of the Olive Green and the Spring Meadow pens without infusing to get more natural grass hue. Use the bullet nib of the Summer Sun pen and Warm Sunset for shading without infusing. For the blue straw use the bullet nibs of the Royal Blue and Sky Blue pens. Color the ice cubes with very light shade of the Sky Blue pen using the bullet nib infused for 5 seconds. Infuse the bullet nib of the Spring Meadow pen for 6 seconds and color the lime slice, then infuse it for 9-10 seconds and color the inner part of the glass.

6. Stamp the images from Lawn Fawn stamp set with Memento Tuxedo black ink. Use the bullet nib of the following pens as regular markers to color the images and blending each two colors together: Grass Green and Spring Meadow for the palm leaves, Hot Cocoa and Bark for the palm trunks, Hot Cocoa and Seville Orange for the star fish, Seville Orange and Summer Sun for the shells.

7. Place all the patterned paper panels with double-sided tape. Adhere all the elements on the front cover using liquid glue and foam tape. Take light green spray, make some splatters, dry them and outline with any thin black pen. Use white gel pen to draw some bubbles in the glass.

8. For the spin use some number stickers to mark the chronology of the photos and outline them with a thin black pen.
